

## Escape to the country!

This country home has so much to offer for the price tag. A light and bright farmhouse style home has all the charms associated with country living like gas heating and combustion stove with modern comforts like air-conditioning and excellent water supply.

On just over 12 acres and surrounded by farmland with school buses running directly past each day, can you think of a better positioned home for affordable lifestyle living.

- ? Two Bedrooms
- ? Fully functioning Kitchen with oven
- ? Central Bathroom

With lifestyle properties rarely offered at this price point, don't hesitate to contact Luke Molo
